

WiiM

WiiM Pro

Versatile Audiophile Grade Music Streamer

WiiM Pro is an audiophile-grade music streamer with Apple AirPlay 2, Google Chromecast, DLNA, Spotify Connect, TIDAL Connect, Hi-Res, lossless audio, and multiroom audio. WiiM Pro turns your existing stereo system smart, so you can play all your favorite music from your music app, the WiiM App, or voice by using Alexa, Google Assistant, or Siri, all in the highest possible sound fidelity.

Apple Airplay 2 Receiver

Use your iOS, Mac devices, and Apple TV to stream all your favorite music and audio to your speakers.

Google Chromecast Audio

Use any Chromecast-enabled app to stream music, TV audio, radio stations, podcasts, and local content to one or multiple audio devices at the same time.

Gapless Playback Hi-Res Music

Stream up to 24-bit/192 kHz music using the digital and analog output and experience gapless playback and bit-perfect output via digital Optical or Coax output.

All music in one app

Using the WiiM Home app enjoy music services such as Amazon Music, Deezer, Qobuz, TIDAL, iHeartRadio, TuneIn, SoundCloud, and more.

Spotify Connect, TIDAL Connect & Amazon Music Cast

Stream music directly from Spotify, TIDAL, or Amazon Music apps. Works for Spotify Free/Premium users, TIDAL's HiFi and master quality (no MQA), and Amazon HD and Ultra HD.

Voice control

Works with Alexa, Google, and Siri Voice Assistants. Use your voice on your phone, HomePod, Echo, or Google Home devices to control music selection, volume, and playback.

Frequent software updates

Enjoy new features, new music services, and enhancements through regular firmware updates to provide you with the best audio experience.
