

LPS 2

Elegant linear power supply

Colour options:  

- Power supply for turntable and phono preamp
- Fully discrete voltage regulator
- Full bridge rectifying use for ultra-fast diodes
- 8800uF filtration bank
- Very low noise and perfect regulation
- RFI eliminated from mains
- $\pm 0,05\%$ voltage accuracy
- Elegant looks
- Dual output
- Clean power supply
- Available in silver or black
- Handmade in Europe

Input Power: 120V or 230V AC

Output Voltage/Current:

- 1x 15V / 2A +/- 0,05%, noise max. 10uV
- 1x 18V / 1,5A +/- 0,05%, noise max 1uV

Colour options: black, silver

Dimensions (W x H x D): 435 x 60 x 272 mm

Weight: 4,9kg

Inlcuded cables:

- 1 x 15V 2.1mm (for E.A.T. C-Sharp, C-Major, C-Dur)
- 1 x 15V XLR 4Pin (for E.A.T. E-Flat, Forte S)
- 1 x 18V 2.5mm (for E.A.T. E-Glo S, Forte)
