TV READY

SIMPLE SETUP

## SOUND THAT PACKS A PUNCH

A truly powerful, small form-factor music monster packed with Klipsch acoustics with integrated power and Bluetooth® wireless technology.

## DESIGNED FOR SIMPLE SET UP WITH YOUR TURNTABLE, TV, COMPUTER OR WIRELESS DEVICE

With an integrated phono pre-amp, Bluetooth® wireless technology, digital optical, analog RCA and USB inputs, your R-41PM is the best performing, most versatile monitor on the planet.

## DYNAMIC BASS EQ

As the human ear perceives frequencies differently with variations in output, the R-41PM will dynamically match the ear's ability to hear lower frequencies. Typically, only available with audio/video receivers, dynamic volume is a first for Klipsch powered monitors. What you get is powerful bass whether the listening volume is low, cranked up or somewhere in between.

## HIGH EFFICIENCY AMPLIFICATION

Forget the expense, clutter and hassle of an external A/V receiver. The R-41PM monitors incorporate individual ultra-low noise amplifiers custom designed to maximize system performance and eliminate the need for external amplification.

## FULL FEATURED IR REMOTE

Allows easy access to system features like dedicated source selection, track controls, and play/pause.

## SYSTEM EXPANDABILITY

Add a subwoofer to enhance for even more bass.

## SPECIFICATIONS

SYSTEM DESCRIPTION	Powered Monitor (pair)
FREQUENCY RESPONSE	76Hz - 21kHz
DYNAMIC BASS EXTENSION	66Hz @ 35% Volume
MAX OUTPUT	105.5dB
TOTAL SYSTEM POWER	70W Total System Power (240W Peak) 35W per channel cont. @ <math>\leq 1\%</math> THD
HIGH FREQUENCY DRIVER	1" (2.5cm) Aluminum diaphragm compression driver mated to 90° x 90° square Tractrix® horn
LOW FREQUENCY DRIVER	4" (10.2cm) copper spun magnetically shielded IMG woofer
CROSSOVER FREQUENCY	1730 Hz (Passive)
